

HARD ARMOR

WARRIOR ARMOR® 4.7LB LEVEL III++ HARD ARMOR PLATE

TACTICAL SERIES

Our Level III++ hard armor plate is NIJ 0101.06 Type III certified with special threat testing. Our Level III++ ceramic and composite hybrid armor plate provides an additional level of rifle rated protection between Level III and Level IV, to combat newer emerging threats. This multishot capable hard plate protects against Armor Piercing (AP), Armor Piercing Incendiary (API), and several steel core variants.

FEATURES

- Advanced composite materials and ceramic
- Multi-shot capable
- Ergonomic Quadcurve®
- Edge to edge protection
- Lightweight comfort
- Certified NIJ 0101.06
